Mortgage Loan Origination Agreement

You (the applicant) agree to enter into this Mortgage Loan Origination Agreement with ARBC Financial Mortgage Corporation, to apply for a residential mortgage loan from a participating lender with which we from time to time contract upon such terms and conditions as you may request or a Lender may require. You inquired into mortgage financing with ARBC Financial Mortgage Corporation on We are licensed as a "Mortgage Broker" under MASS. GL 255e, LICENSE # MB1401. The lenders have asked that this form be furnished to you to clarify the role of mortgage brokers. This form supplements other disclosures or agreements required by law that you should receive from us concerning your application for a residential mortgage loan. **SECTION 1. NATURE OF RELATIONSHIP.** In connection with this mortgage loan: The mortgage broker may be acting as an independent contractor and not your agent. If you are unsure of the nature of your relationship, please ask the mortgage broker for clarification. The mortgage broker has separate independent contractor agreements with various lenders. While the mortgage broker seeks to assist you in meeting your financial needs, it does not distribute the products of all lenders or investors in the market and cannot guarantee the lowest price of best terms available in the market. SECTION 2. THE BROKER'S COMPENSATION. The lenders whose loan products are distributed by the mortgage broker generally provide their loan products to the mortgage broker at a wholesale rate. The retail price a mortgage broker offers you—your interest rate, total points and fee—will include the broker's compensation. In some cases, the mortgage broker may be paid all of its compensation by either you or the lender. Alternatively, the mortgage broker may be paid a portion of its compensation by both you and the lender. For example, in some cases, if you would rather pay a lower interest rate, you may pay higher up-front points and Also, in some cases, if you would rather pay less up-front, you may wish to have some or all of our fees paid directly by the lender, which will result in a higher interest rate and higher monthly loan payments than you would otherwise by required to pay. The mortgage broker also may be paid by the lender based on (i) the value of the mortgage loan or related servicing rights in the market place or (ii) other services, good or facilities performed or provided by the mortgage broker to the lender. You may work with the mortgage broker to select the method in which it receives its compensation depending on your financial needs, subject to the lender's loan program requirements and credit underwriting guidelines. The amount of fees and charges that you pay in connection with your loan will be estimated on your Good Faith Estimate. The final amounts will be disclosed on your HUD-1 or HUD-1A Settlement Statement By signing below, applicant(s) acknowledge that you have read and understand this document. By your signature, you also acknowledge that you have received a copy of this document. Printed Name Signature Date Date Printed Name Signature Date Date
